| President      | Specifically, the successful candidate should possess broad leadership qualities and experience, including the following:  
|                | - At least 3-10 years of proven leadership and management experience in a senior position, preferably in higher education;  
|                | - An earned academic doctorate degree from an accredited institution ;  
|                | - A strong commitment to teaching, research and service with excellent quality to advance colligate education;  
|                | - Knowledge of the domestic needs of higher education in Liberia;  
|                | - High moral and ethical standards;  
|                | - A demonstrated ability to advance the mission and needs to the various stakeholders of the College, including the students, faculty, staff, alumni, the |
Government of Liberia and all other partners;
- Commitment and the ability for fundraising and advocacy for increased support from Government and other sources such as corporations, concessions, foundations and donors generally;
- Establishing and maintaining linkages with institutions of higher learning and education support organizations in Liberia and externally
- An understanding of the Liberian cultural, social, and political environment and its effects on the College.

| VP Administration | Vice president for administration is the third in command at the college, reporting directly to the president. He/she oversees all of the non-academic functions of the college, including property, human resources, information technology, and finances. The administrative functions of a university are many and varied, so he/she leads a large team of professional academicians. To be considered for the role of vice president for administration, one needs to satisfy the following requirements:
- At least a master’s degree in business administration or other relevant field.
- Five to eight years' experience in administrative management in a similar environment -- such as another college, university, a large hospital or government institution.
- You must have experience managing large teams of people and large budgets.
- Outstanding interpersonal skills with an ability to influence and lead a wide variety of people
- Organizational skills are also key, because the successful candidate is expected to |
